DM790: Proposal Research and Writing **Spring Semester, 2026**

Instructor: Dr. Rolf Nolasco rolf.nolasco@garrett.edu

Modality: ONLINE- Mix of Asynchronous & Synchronous

SYNCHRONOUS Class Schedule: Monday, February 16, from 9:00-2:00 pm

Monday, March 16 from 9:00-2:00 pm

Monday, April 20 from 9:00-2:00 pm

Individual meetings with students (TBD)

Course Description

This course will explore the theoretical and practical contours of qualitative research methods with an emphasis on completing a full draft of the students' Research Project Proposals. Course readings, lectures, and student presenters will focus on the theological and theoretical and practical aspects of writing and completing their Research Proposals.

Course Textbook

- There are **no** new textbooks required for this course. Instead, we will draw on the texts previously used in DM 702: Research Design and Methodology.
