

MTS EVALUATION AND ADVANCEMENT
REGISTRAR'S OFFICE

For those in the basic 2-year program

The MTS evaluation conference is held in the second semester of full-time registration, or after the completion of or in process with at least 28 semester hours, and scheduled in the academic calendar. The date for submission of materials for the conference is also noted in the academic calendar. The spring semester of the first year is when the evaluation materials are due to the registrar's office. The conference must be completed before January term of the final year. This conference is to be a demonstration of the student's ability to integrate material already covered and to include goal setting for the completion of the degree.

The evaluation committee shall be the student's first year advisor plus a second faculty member in the proposed area of specialization. The faculty team are assigned and the conference scheduled by the registrar. Upon successful completion of the evaluation conference, the student is recommended to the faculty for advancement in the degree program.

For those with advanced standing

The evaluation conference, with the same goals as noted above, is held within the first semester of full-time enrollment, or with at least 14 semester hours in process. The deadline for submission of materials is the end of October. Students must be in contact with their advisors. The date of the conference will be forwarded to the student. Faculty advisor and evaluating teams are assigned as noted above.
