## **Elementary Greek 2 (BIBNT512)**

### **Garrett-Evangelical Theological Seminary**

Spring 2020, Tuesdays and Thursdays 1:00-2:20 pm

Staff: G. Brooke Lester, instructor

**Course Description:** In this course students will start learning the language of the New Testament with the purpose of enabling them to understand the text in its original form. Together with its supplement, BIBNT512, this course will provide a basic knowledge of the language that will facilitate the work of translation and exegesis. This will be accomplished through a study of its main vocabulary, grammar and syntax.

BIBNT511 does not count as a "required elective" in New Testament, but BIBNT512 does.

**First Week Attendance Requirement:** Students must have attended the first session in order to be able to continue in the course.

**Accommodations Policy:** Garrett-Evangelical is committed to providing a quality theological education and will provide reasonable accommodations for documented conditions. Students requiring specific assistance such as classroom changes, alternative ways of note-taking, different classroom procedures, or alternative testing formats are urged to request the appropriate accommodations from the director of academic studies/registrar. The director of academic studies/registrar can advise students on other support services and resources, for example, diagnostic testing. Students must complete a request for accommodations using the form available from the director of academic studies/registrar or through MyGETS documenting their condition(s) through appropriate verification methods.
